Chief, Classification and Wage Division

Revised T/O, ORR

1. Transmitted herewith are:

- a. Six digit code listings of organization and position titles, codes and position numbers in various components of ORR, and
- b. Form 30-25 deleting certain positions in the area of the Chief, Geographic Research, together with Forms 30-25 previously submitted for the Administrative Staff (Control No. 860, approved 22 January 1954) and the area of the Chief, Geographic Research (Control No. 684, approved 29 January 1954), as amended by the enclosed Form 30-25, these code listings reflect the current revised T/O for ORR as approved 1 March 1954.

2. In preparing machine runs of the revised T/O, previously submitted data for the Administrative Staff should be placed immediately after the first page of the enclosed listings. Previously submitted data for the Geographic Research area (as amended by the enclosed Form 30-25) should be placed immediately before the data on the last page of the enclosed listings.

3. The Office T/O strength figure of [REDACTED] is correctly used on the enclosed Form 30-25 despite the equally proper usage of the related figure of [REDACTED] on the Form 30-25 (Control No. 61, approved 10 March 1954), previously submitted, since the approval date on the former antedates that referred to under Control No. 61.
